Scholarship Information

The Gulfstream Aerospace West Michigan Aviation Academy Scholarship was established in 2014 with the purpose of providing support for a qualified high school senior from Western Michigan Aviation Academy who has been accepted and plans to pursue a post-secondary degree from an accredited higher education institution. The scholarship award selection will be based on the applicant's financial need and academic performance. Preference may be given to applicants pursuing an Aviation-related degree.

The scholarship award may be up to \$15,000 per academic year and is renewable up to a maximum of three additional academic years or until undergraduate degree requirements are completed, whichever comes first. Renewal is based on evidence of good academic progress (3.0 or above cumulative GPA), good disciplinary standing and confirmation of continued enrollment as a full-time student.

The annual scholarship competition is administered by Community Foundation of the Lowcountry through an independent advisory committee and awarded on the basis of academic achievement, leadership and extra-curricular activities. *Financial need is considered.*
