

This year, 156 local students will attend college, thanks in part to more than \$717,600 in scholarships from Community Foundation of the Lowcountry. Because of generous donors who champion education, we've awarded \$7.8 million in scholarships to more than 1,000 deserving students in the past 25 years.

You'll find this year's recipients at 68 different colleges and universities across the country, majoring in engineering, music, business, biology and many other areas of study.

Congratulations to all our scholarship recipients. We wish you success in college and beyond!
